Secret Coupon discovered!

Well, you found it. I never thought anyone would open that folder. But here you are.

As a thank-you for downloading **The Mint Lite** – and to reward your folder-opening fanaticism – you've earned this very special, limited-offer coupon (only 100 available. Ever.)

Get a rather hefty discount on the full version of **The Mint**, propelling your collection of sounds from 101 to **450**. You'll never go wanting for the sound of cash or coin again.

This offer is **limited to the first 100 to claim it. Don't miss out, grab it now!**

Visit the secret link
https://shapeforms.itch.io/makeitrain

You'll arrive at an unlisted sale page with the discount already applied. From here you can secure your copy before the offer runs out. Enjoy!
