License Agreement

Shapeforms Audio is the sole owner and master licensor of this library and its contents. By downloading it, you are granted a perpetual, non-exclusive license to use the sounds within music, video, interactive media, and live performance, commercial and otherwise. This license is non-transferrable. You cannot redistribute the sample library or any of the sounds contained within.

You cannot use any of the sounds in isolation for a commercial release or project. For example, you cannot use the samples in any way – even after processing – to create and distribute another sound library. You can, however, use the samples within a musical composition for both commercial and non-commercial purposes.
